

KYPGA Junior Tour Player of the Year Overview

KYPGA Junior Tour Player of Year List

Points will be awarded in each event based on the player's gross score placement within their own Division. Any player involved in a tie for 1st Place will receive 1st Place points. In the event of a scorecard playoff to determine any other place, points will be split among those players involved in the tie. While there is no limit on the number of events that each participant may enter, Player of the Year Points will be based solely on the 10 best totals including the Tour Championship. Player of the year does include fall series events and winner will be announced following the Tour Championship.
